

4. Investment Option selection (Check A or B - continued on next page.)

- Before choosing your Investment Options, see the CollegeAdvantage Direct 529 Savings Plan *Offering Statement and Participation Agreement* (available at www.CollegeAdvantage.com) for complete information about the Investment Options offered. You must allocate at least **1%** of your contributions to each Investment Option you choose. Use whole percentages only.

A. **I want to keep the same investment allocation (s) for my new Beneficiary.**

Note: If you are invested in an Age-Based Option(s) and the new Beneficiary is in a different age bracket than the former Beneficiary, your asset allocation may change.

If you wish to **keep the same investment allocations** and you have a **Fifth Third Certificate of Deposit**, please indicate the CD maturity below. Any CDs must be closed and re-opened under the new Beneficiary name. Please select one of the options below:

1. Keep the same **TERM** of the original CD. Example: If the original CD Term was 12 months with 3 months left, you will purchase a 12-month Term CD.

Note: See the CollegeAdvantage Direct 529 Savings Plan *Offering Statement and Participation Agreement* (available at www.CollegeAdvantage.com) for complete information on the Investment Options you are considering.

2. Keep the same **approximate MATURITY DATE** of the original CD. Example: If the original CD Term was 12 months with 3 months left, you will purchase a 3-month Term CD.

Note: When CD term changes, the associated APY changes as well.

(see next page for item 4B.)

B. I want to select new investment allocations or purchase a new Certificate of Deposit.
